*Aim for
understanding
rather than just
remembering
points.*

- **NOTE: The timing instruction is only for main exam. Students with special considerations should follow their allocated time for the exam.**
- This exam begins at **3:00 PM Australian Eastern Daylight Time (AEDT) on Friday 4/11/2022 (November 4th)**. You have 15 minutes of reading time. You can start answering at 3.15 PM. The exam is of the duration of 3 hours, the submission must be completed by 6.15 PM AEDT.
- This examination is worth 60% of your final mark.
- There will be 12 questions.
- You have to answer all questions.
- The answer to each question should be hand written and uploaded to the answer image file (or files) to the Gradescope system.
- Multiple Choice Question (MCQs) can be directly answered by choosing the correct option on the Gradescope system.
- Make sure you upload the correct answer (image file/s) to the corresponding question.
- Press the save button after uploading the answer for each question to avoid any issue that may cause due to interrupted network connections.
- (If the network disconnects, there is no loss to answer that are saved).
- Make sure your answers are readable. Any unreadable parts will be deemed incorrect.

Exam Preparation Tips

1. Go through all the lecture slides and tutorial materials
2. Watch lecture recordings
3. Read relevant materials from the textbook
4. If in any doubt, ask questions in the discussion forum or attend exam consultations
5. While reading, try to understand the concepts instead of memorizing anything
